# President's Report

## July 2023

Hi All,

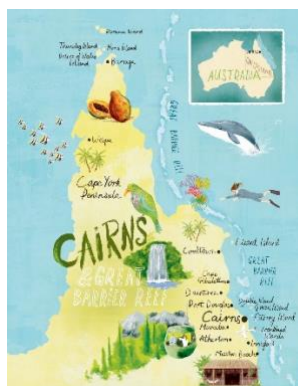

I have no idea where the month goes to, all I know is I always seem to be late getting my report done. Then I have to rack my poor little brain trying to get it together.

Let's go right back to the start of the month. You might remember that there was no music practice on the Tuesday Night the 4<sup>th</sup> July -that's because Glenda was

in Cloncurry for work and our other back up guitarist - Peter Winterburn was also unavailable to play.

All was not lost our Country Music Afternoon went ahead on Sunday the 9<sup>th</sup> July and as usual was well attended even though we were competing with the V8's. Thank you to all our hard workers who are there to set up the stage and sound system, our barbie cooks, glamorous door girls and our musicians and performers. I must give an extra big thank you to the people who are staying behind giving a hand in whatever way they can, to pack and clean up on a Sunday afternoon and a Tuesday night. It does something to a man's heart - makes my chest swell with pride to know we have a great club full of wonderful people.

Monday 10<sup>th</sup> July Glenda and I took time off to relax and catch up with my family in Cooktown/Hopevale area whilst taking in Laura and Lakeland Downs. Although it was a rather short and quick trip, we drove over 1200 kms and journeyed back home Thursday 13 July via the Daintree coast road, crossing the Daintree ferry and negotiated Cairns. The negotiations through Cairns caused a "serious discussion" and one of us was nearly walking home.... I am not really sure which one of the us was closer to walking than the other, but we thoroughly enjoyed our time away regardless.

We were back into the rhythm of practice nights before we knew it. I just love watching the friendly interaction unfolding between each of us during these and other nights that we have together. You are all to be commended for the patience, acceptance and learnings we share particularly at practice nights, and I thank you all very much for your input and help for one another.

Our General Meeting was held on Wednesday night (19<sup>th</sup> July). Due to family commitments for some of our usual attendees it was feared that we might not be able to make a quorum that night and the meeting might have to be called off. As luck would have it, we managed to scrap together the necessary 3 Committee members and 6 General Members to be able to go ahead with the meeting. These meetings are your time to have an input into the club - voice your opinions on items you might or might not be happy with and come up with other ideas for us to try out for the future.

**Save the date: 3<sup>rd</sup> Wednesday Monthly** - come and have your say.

Questions have been asked concerning “what our Mission Statement is?” and “where it might be found?”. “The Mission Statement” always appears on the first page of your Newsletter and it can also be found in the Association’s Constitution.

We have realised that the clubs’ rules and governing statement may not be known to all members and have decided a copy of the constitution can be sent to every member of the club via email or for those who don’t have email a hard copy be available to you should you wish to receive it. Please make it known to the secretary if you wish to read this document.

The new stage leads that were ordered have arrived!!

On Sunday 23<sup>rd</sup> July, Julie Olufson and Glenda spent the majority of the day replacing all the old sound leads with the newly purchased ones whilst at the same time cleaning out the sound trailer of excess and broken equipment. Dylan Pope also dropped by to lend his expertise in certain areas. A big thank you to a great team!!

I can honestly say I am proud of what this team accomplished and hope that you also appreciate what they had achieved. This was completed in our garage, all leads just tagged and replaced without making a noise.... then we go to Thuringowa RSL the following Sunday 29th...Hook up the gear... and everything works fine!!! Truly amazing!!

The Hughenden Country Music Festival was on again and well attended by our Townsville members. A big CONGRATULATIONS!!! to Lloyd Hughes who took out the “Overall Winner” for the weekend. I think our music practice nights are enabling our members to know they can perform on any stage with confidence. Well done to all members on your participation and successes over the weekend.

Some time ago new membership forms were handed or emailed out to be updated with your health issues and Next of Kin details. We are still waiting for some to be returned. The information on these new forms is for your benefit so quick action can be taken should you require medical attention at any of our functions.

## 10. WORKPLACE HEALTH AND SAFETY (PAGE 8)

10. (1) *Work Health and Safety Act 2011* (WHS) provides cover for Not-for-profit organisations who employ workers. These organisations are considered to be a *person conducting a business or undertaking* (PCBU) under the WHS Act. They will have a duty of care to ensure, so far as is reasonably practicable, the health and safety of their workers at work and that the health and safety of other people is not affected by the way in which the organisations conducts its business or undertaking.

However, the **WHS Act does not apply to not-for-profit organisations that are "volunteer associations"**.

### Volunteer associations

A volunteer association is a group of volunteers, working together for one or more community purposes, that has no employees. It may be an incorporated or unincorporated association. A volunteer association is not regarded as a PCBU for the WHS Act.

Volunteers perform a range of different activities in the community. This can include:

- undertaking voluntary work for a business as part of a work experience program
- undertaking voluntary work or activity for a not-for-profit association
- voluntarily serving as a director of a company
- voluntarily serving as an officer in an unincorporated association.

For the purposes of the WHS Act, a person is a volunteer if they undertake work for an organisation without being paid a wage or salary.

They may, however, be reimbursed for any out-of-pocket expenses they incur directly while carrying out the volunteer work. Out of pocket expenses do not include loss of wages or salary while carrying out the volunteer work.

Any payment over and above direct expenses would mean that the person was not a volunteer for purposes of the WHS Act.

Under the WHS Act, volunteers are workers if they carry out work in any capacity for a PCBU.

Volunteers who carry out work for PCBUs are required to take reasonable care for their own health and safety and not to create risks to others. Volunteer workers can be prosecuted for failing to comply with their duties.

A volunteer officer cannot be prosecuted for failing to comply with their 'officer duties' under the WHS Act. This immunity from prosecution is designed to ensure that voluntary participation at the officer level is not discouraged. A volunteer officer can however, be prosecuted in their capacity as a worker if they fail to meet their duties as a worker.

**(2) Health and Wellbeing:**

The Townsville and Thuringowa Country Music Association will comply to all Regulations and directives issued by the Queensland Health Department in relation to Public Health and Wellbeing of members and general public at all times.

**11. TERMINATION OF MEMBERSHIP (PAGE 9)**

11. (1) A member may resign from the association at any time by giving notice in writing to the Secretary. Such resignation shall take effect at the time such notice is received by the Secretary unless a later date is specified in the notice when it shall take effect on that later date.
- (2) The management committee may terminate a member's membership if the member—
- (a) is convicted of an indictable offence; or
  - (b) fails to comply with any of the provisions of the Rules; or
  - (c) has membership fees in arrears for a period of two months or more; or
  - (d) conducts themselves in a manner considered to be injurious or prejudicial to the character or interests of the Association in accordance with the Code of Conduct (9.)
- (3) The member concerned shall be given a full and fair opportunity of presenting his/her case and if the Management Committee resolves to terminate his/her membership it shall instruct the Secretary to advise the member in writing accordingly.

Good luck and safe travels to those of you travelling to the Dalrymple Country Music Festival and/or the Pioneer Valley Country Music Festival during September.
